All-Maui Ball Team
To Play In Honolulu

Paschoal's Fast Bunch Invited For Series On Washington's Birthday Program—Will Have Try At Wai-kiki, Braves And Chinese

The All-Maui baseball team is going to Honolulu within another month to contest with the Oahu teams for honors. The invitation has been formally extended and accepted.

Acting upon a letter from J. Ashman Benson, manager of the Oahu Service Athletic League, dated Jan. 11, the athletic committee of the Maui County Fair & Racing Association at a meeting held on Tuesday night, authorized J. Garcia, its secretary, to notify the Honolulu league of its acceptance.

Generous Terms

The Honolulu league guarantee the Maui team \$400 for expenses, but with a possibility of drawing a greater amount than this as the three games to be played will be on a 50-50 basis of the net receipts.

The games are probably to be played in connection with the Shrine "Happyland" carnival to be given during the week of Washington's birthday. Our boys are to have a game with the Braves, the Wai-kiki and the All-Chinese, covering Saturday, Sunday and Monday, the 21st, 22nd and 23rd, according to the present plans.

Local Men Pleased

Managers of the local team as well as players, are much pleased with the prospect, and already have begun active preparations for the big trip. There will be much rivalry as to the composition of the team and, there will probably be some very strenuous practice until the selection is made. The trip will be made under the management of Games Paschoal, and it is understood that he expects to take 14 players with him.

Highs And Gyms To
Play Tie Next Week

Two Strong Basket Teams Of Junior League Must Settle Question Of Strength—Special Game Tonight—Situation Tense.

With the Gyms and the High Schools tied for honors, and the series practically ended, the big junior basketball series which has been on for the past several months is winding up in a fever of suspense and excitement.

Last Friday night each of these leading teams won their games, thus leaving them in the same relative positions. The Gym won from the Trade team by a score of 20 to 16; while the High School boys turned the Saints down in a hard fought game by score of 8 to 2.

This evening the Trades will play the Saints, which will be the only scheduled game played, although the High will put on a game with a picked team, which will not count in the series.

To Play Off Tie

But next Friday night will be the sensational finish, for at that time the two leading and tied teams will come together for the big test of strength. Both teams are evenly matched, and everyone expects to see the greatest basketball struggle of the season when they meet.

The game between the Trades and the Wacs, which was scheduled to close the series tomorrow night, has been postponed until next Friday to be played as a curtain-raiser to the High-Gym event.

New Postmaster
Named For Paia

A press dispatch to Honolulu papers from Washington announcing the re-appointment of Postmaster Lloyd of Lahaina, and of Mrs. Alice Brown, of Paia, was incorrect in that Mrs. Brown is being appointed for the first time.

She is taking the place of Asahi Ching How, who was named postmaster following the resignation of Mrs. Cummings about a year ago, but who also recently resigned on account of having drawn one of the Waikeke homesteads, in Hilo, and being obliged to go there to perfect his title. Mrs. Brown is a resident of Paia.

Maui To Have Yearly
Field And Track Day

Schools And Athletic Clubs To Enter Teams For First Big Meet On March 27—Under Auspices Of Fair Association.—Much Interest

For the first time in history Maui is to get into organized field sports. This was finally decided upon this week when the athletic committee of the Maui County Fair & Racing Association decided to take up the matter of organizing teams on the island for this class of sports, and fixed upon March 27 as the date of the regular field day. Therefore it is the plan to hold a field day each year in which track teams representing the various schools and athletic clubs of Maui will take part.

The sports are to be divided into junior and senior events. The juniors will consist of school boys of the 8th grade and under, and of boys not in school of 15 years of age or under. The seniors will be of boys over the 8th grade in school and all bonafide members of athletic clubs or organizations having regular captains or managers.

Entries are to be required of all teams at least two weeks prior to the date of the meet, and an entrance fee of \$2.50 per team is required to be paid at that time.

From the interest aroused in the field sports arranged for the county fair last October, it is believed that the annual meetings can be made a great success and will prove of great benefit in developing athletics on Maui. The events will be held on the Maui county fair grounds, Kahului.

The program of events as arranged for the first field day is as follows:

Juniors

Dashes—50 and 100-yard, 120-yard low hurdle, 220-yard hurdle.
Distance—1 mile and 1½ mile.
Field—Running high jump, running broad jump, running hop-step-jump, 12-lb. shot put, standing broad jump.
Relay—One-half mile, 110 yards, 8 men to team.

Seniors

Dashes—100-yard, 120-yard low hurdle, 220-yard, 440-yard.
Distance—One-half mile, mile.
Relay—One mile, 4 men to team.
Field—Pole vault, 12 lb. shot put, running high jump, running broad jump, standing broad jump.

HALEAKALA CREW COMES TO
LEARN TO PRONOUNCE NAME

For the first time since leaving San Francisco, the skipper and crew of the big shipping board freighter Haleakala know how to pronounce the boat's name. When the steamer resumed her voyage to the Orient at 10 o'clock this morning, they were all practicing the new pronunciation and having a good time doing so. The Haleakala arrived at 2 o'clock yesterday afternoon from San Francisco for bunkers.

Capt. Thomas Fleming, master of the Haleakala, is well known in Honolulu, having been first officer on the company's trans-Pacific passenger liners. He said the big freighter has performed well. The boat is carrying \$700,000 in treasure, and also has 50 automobiles for the Orient. C. M. Landers, formerly on the Ecuador, is purser.

The Haleakala is 430 feet long and her gross tonnage is 5958. Her cargo includes automobiles, a deck load of lumber and general merchandise. She is a sister ship of the West Mingo and West Sequana, both of which arrived today for bunkers, also en route to the Orient for the Pacific Mail.—Star-Bulletin.

TROTTER FAILS TO LOCATE
UNDER-FED CHILDREN ON MAUI

Reports of indigent and under-nourished children on the island of Maui are denied by Dr. Frederick E. Trotter, president of the territorial board of health, who with Kirk B. Porter, secretary of the board, returned yesterday from a trip to the Garden Island.

"There may be under-fed children on Maui, but we couldn't find them," said Doctor Trotter yesterday. "The reason why there are none is obvious. It is because of the prevalence of nurses on the plantations. There may be ill-nourished children in the towns, but if there are they are few and far between."

A visit was made to the Kula tuberculosis sanitarium. The hospital is being rebuilt and enlarged and Doctor Trotter reports that fine work is being done there.—Advertiser.

BIGGER AND BETTER THAN THE SPOILERS.

An epic of snow bound Alaska, the golden goal of the fortune seeker; where men measure their brute strength and cunning for the possession of mother Earth's treasure;—where raw boned and two fisted pioneers of civilization combat the elements and wrest from the snow-clad hills the pure gold that builds great cities far back of their ranks; where men are as yet untainted by hypocrisy; where they think with fists hard as steel, and love with the hearts of children.
